## Mini Kangaroo Competition 2023 list grade

A-1
$2+0+2+3=$

| 5 | 6 | 7 | 8 | 9 |
| :--- | :--- | :--- | :--- | :--- |
|  |  |  |  |  |

## A-2

Which path has the fewest corners?

| A | B | C | D | E |
| :--- | :--- | :--- | :--- | :--- |
|  |  |  |  |  |

## A-3

7 ducks have flown away. How many ducks were there?

| 10 | 11 | 2 | 12 | 13 |
| :--- | :--- | :--- | :--- | :--- |
|  |  |  |  |  |

## A-4

It is not a toy.
It has more than two legs.
What is it?

| $A$ | $B$ | $C$ | $D$ | $E$ |
| :--- | :--- | :--- | :--- | :--- |
|  |  |  |  |  |

## B-1

The children plant 2 rows of lettuce.
There are 8 plants in each row. How many plants do they need?

| 2 | 10 | 16 | 20 | 8 |
| :---: | :---: | :---: | :---: | :---: |
|  |  |  |  |  |

## B-2

Each child gets the same number of apples. How many apples does each child get?

| 6 | 7 | 12 | 4 | 5 |
| :--- | :--- | :--- | :--- | :--- |
|  |  |  |  |  |

## B-3

$$
3,4,5,6,7
$$

Four numbers add up to 20 . Which number remains?

| 3 | 4 | 5 | 6 | 7 |
| :--- | :--- | :--- | :--- | :--- |
|  |  |  |  |  |

## B-4

There are 10 muffins on the plate.
Kangaroo and panda eat the same number of muffins.
Now there are 6 muffins.
How many muffins did the panda eat?

| 1 | 2 | 3 | 4 | 5 |
| :--- | :--- | :--- | :--- | :--- |
|  |  |  |  |  |

## C-1

The kangaroo writes o for an even digit and $\times$ for an odd digit.

What does the kangaroo write for 2023?

| $\circ \circ \circ \times$ | $\circ \times 0 \times$ | $\times \times \times 0$ | $\times 0 \times 0$ | $0 \circ \times \times$ |
| :---: | :---: | :---: | :---: | :---: |
|  |  |  |  |  |

## C-2

Find all the circles.
Draw a dot in each circle. How many dots are there?

| 10 | 9 | 7 | 8 | 6 |
| :---: | :---: | :---: | :---: | :---: |
|  |  |  |  |  |

C-3

The kangaroo pushes the grey piece onto the grid.
What is the largest number of dots it can cover?

| 3 | 4 | 6 | 2 | 5 |
| :--- | :--- | :--- | :--- | :--- |
|  |  |  |  |  |

## C-4
